

40mm Premium Rubber Tile

The 40mm Premium Rubber Gym Tile has a hard-wearing ultra-fine granule surface layer and a medium granule base layer. The Premium tiles are more abrasive resistant than standard rubber tiles.

Ramp Edges Available

Corner Tiles Available

Technical Specifications

Tile Size	1m x 0.5m x 40mm (2 tiles = 1 Square Metre)
Tile Colour	Black with a 15% EPDM White/Grey colour Fleck
Tile Material	100% Recycled Rubber, NR SBR – Natural Rubber / Styrene-butadiene Rubber
Tile Weight	18kg (Per 1m x 0.5m Tile)
Base layer	2-3mm granules
Surface Layer	3mm thickness for extra strength & protection, fine-grained recycled tyre rubber (black) and 15% of coloured EPDM granules bonded with Polyurethane elastomer.
Floor Hardness	is 60+/-5 ShA
Sound Insulation	30dB (ISO 10140-3)
Simple Installation	No floor adhesive required, tiles connect together with hidden dowels underneath on all sides to prevent any movement.
Resistance to chemicals	good resistance to acids, alkalis and salts. Contact with oils and hydrocarbons is not advisable and will damage the floor tiles.
Tools Required for Fitting	Stanley knife and Rubber hammer
Cleaning	Vacuum on general setting, then lightly mop with a micro fibre mop and water mixed with a ph neutral cleaner. Do not flood the floor with water.

Key Features

Easy Cleaning and bacteria-resistant	•
Withstand the impact of intense workouts & dropped weights easily and tirelessly	•
Improves traction, offers excellent shock absorption and allows for quicker acceleration	•
Absorption of noise	•
Loose lay with the plastic block connector provided	•
100% Recycled Rubber	•
Also available in 20mm & 30mm	•
