

Classic Series Adjustable Abdominal Bench

Designed for focused core training within commercial gym environments, the Classic Series Adjustable Abdominal Bench provides a stable platform for abdominal and decline exercises. The adjustable design allows exercisers to modify training intensity, while the heavy-duty frame supports consistent daily use in high-traffic facilities. Integrated foot support and padded contact points improve comfort during training, making it well suited to commercial gyms, education facilities, and dedicated strength training areas.

Durable Design

Adjustable Bench

Technical Specifications

Rating	Commercial
Frame	Heavy Duty Steel
Dimensions	L 172.2 x W 73.5 x H 89.8 cm
