

Elite Series, Leg Press / Hack Squat Combo

Offering supreme functionality, high durability and an aesthetically sophisticated design, the Elite Series sets the benchmark for excellence in commercial selectorised strength equipment. The minimal space and budget requirements combined with the high performance, intuitive design of the Elite Series machines, makes them the perfect fit for any fitness facility. The Elite Series Leg Press Hack Squat is designed to isolate the quadriceps through a simulated squat movement. The oversized, angled foot plate reduces the stress placed on the knees, providing a safe, effective and comfortable workout.
