

Karndean Flooring

Karndean Luxury Vinyl tiles are the perfect solution for reception and cafe areas alongside cardio and general fitness zones of the gym.

At a cost effective price you can create a prestigious image that is very durable and easy to clean. A huge variety of textures and tones are available from light wood effect tones, mid wood tones and dark wood tones including contemporary grey and grey-brown shades. They have either a smooth or lightly textured finish, with most designs supplied in standard plank size. However there are four designs in an extra wide format suitable for larger spaces.
