

Elite Series, Multi Abdominal Bench

Offering supreme functionality, high durability and an aesthetically sophisticated design, the Elite Series sets the benchmark for excellence in commercial selectorised strength equipment. The minimal space and budget requirements combined with the high performance, intuitive design of the Elite Series machines, makes them the perfect fit for any fitness facility and exerciser. The Elite Series Multi Ab Bench provides users with a solid strength training platform, ideal for performing a range of abdominal exercises. The padded calf and ankle rollers ensure comfort and stability, whilst the adjustable, multiple position decline bench increases functionality.
