

Elite Series, Roman Chair

Offering supreme functionality, high durability and an aesthetically sophisticated design, the Elite Series sets the benchmark for excellence in commercial selectorised strength equipment. The minimal space and budget requirements combined with the high performance, intuitive design of the Elite Series machines, makes them the perfect fit for any fitness facility and exerciser. The Elite Series Roman Chair provides users with a solid strength training platform, and allows for huge flexibility with regards to the exercises that can be performed including abdominal, back, core and glute movements. The padded ankle rollers ensure comfort and stability, and allow for increased functionality.
