

5 Ball / Single Sided Storage Rack

Keep your gym floor clear and tidy with the perfect storage solution!

The Gym Gear 5 Ball Single Sided Storage Rack securely holds 5 medicine / slam balls, preventing balls from rolling around the floor and keeping your functional zone clear and organised.

If you are tight on space then this is a great space saving solution as it stores the balls vertically and allows for easy weight identification.

Please note: Balls are not included.

Holds 5 Medicine Balls
