

Elite Series, Olympic Incline Bench

Offering supreme functionality, high durability and an aesthetically sophisticated design, the Elite Series sets the benchmark for excellence in commercial selectorised strength equipment. The minimal space and budget requirements combined with the high performance, intuitive design of the Elite Series machines, makes them the perfect fit for any fitness facility and exerciser. The Elite Series Olympic Incline Bench is designed to provide a strong, stable lifting platform that optimally positions users for maximum results. The vertical racking system accommodates both men and women's Olympic sized bars and the multiple racking points accommodate users of all sizes.
