

## Encore AC4000 Treadmill

The Encore AC4000 Treadmill features an integrated frame and modern console. The design is practical for all users and durable. The 18.5-inch console offers convenient and easy operation along with entertainment functions. The 60-degree tilted panel provides the best viewing angle for comfort. The integrated storage spaces and magazine/iPhone reading rack brings a more user-friendly experience. This Treadmill is equipped with a USB port for charging and additional entertainment features.
