

E8e Cross Trainer

The E8e Total Body Cross Trainer takes incline training to a whole new level! The E8e Cross Trainer can accommodate a broad range of users from the inexperienced to elite athletes and all points in between. With superior biomechanics to provide the user with safe and comfortable movement. An added incline feature to engage lower body muscles to tone and burn more calories, while the upper body arms provide the user with a total body workout experience.

Climbing Capabilities

15.6" Touchscreen

HR Sensors

Incline Control
