

## 10m x 1.5m Sprint Track (Full Line Markings)

Introducing our Premium Gym Sled Tracks – the epitome of innovation and performance for prowler and sled training. Elevate your strength and conditioning workouts with these meticulously designed tracks that offer an unparalleled combination of durability, versatility, and functionality.

Our Sprint Tracks are made with the highest quality artificial turf and include number markings along with 0.5-meter line markings that will allow you to measure your training sessions! With a 15mm Pile height, the combination of short fibre and the high density of the fibres ensures that our tracks are wear-resistant and durable which means it functions perfectly as a long-lasting sports floor. You can intensely use these sprint tracks on a daily basis for a whole range of fitness activities.

Our heavy-duty Sprint Tracks are suitable for indoor and outdoor use, for prowler sleds, sprinting,
