

Pro Series, Full Rack

Gym Gear's Pro Series Commercial Full Power Rack delivers commercial grade quality at exceptional value, including Weight Storage horns, J-Hooks, Safety Spotter Bars, Lower & Upper Band Pegs, and Multi Grip Chin Up Bar. Perfect for any gym or personal training facility.

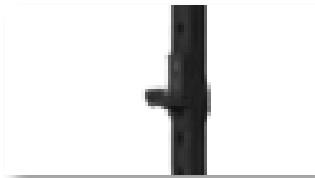

Made from 2.5mm thick premium steel tube the Gym Gear Pro Series Full Power Rack is one of our most popular options. The J-hooks and Safety Spotter arms have UHMW inserts preventing any knurl damage to your bar. There are 8 Plate Storage Horns capable of storing over 400kg in weight plates. Lower and upper resistance band pegs allow for a diverse range of lifts with resistance bands to improve muscle contraction.
