

# 4ft 40kg Gym Gear Punch Bag

Are you ready to step up your gym, studio or home gym with the Gym Gear 4ft PU Punch Bag? Part of the commercial boxing range this punch bag is machine filled with a custom blend for optimum density and feel.

At 40kg in weight it's a solid bag to prevent over-swinging, making it ideal for training on. The top zip closure and four webbed straps ensure secure and convenient use. It comes with the chain and swivel, so all you need is a hook or bracket to hang it on. Take your workouts to the next level with this high-quality punch bag.

High Quality Sticking

Chain and Swivel Included

40kg Weight
