

Max Grip Cable Attachments Rack

The Max Grip Cable Attachment Rack is purpose-built to store our full range of Max Grip Cable Attachments, helping to keep your gym space organised and clutter-free. Its compact footprint makes it ideal for facilities where space is at a premium, while the sleek, modern design adds a professional finish to any training environment. Versatile in function, the rack also accommodates a variety of other cable attachments, making it a practical and stylish storage solution for any strength training area.
