

Gym Gear Ladder Barrel

The Gym Gear Pilates Ladder Barrel is designed to bring precision, comfort, and versatility to Pilates practice. Built with a solid oak wood frame, it offers exceptional strength and stability for a wide range of exercises. The barrel is cushioned with high-quality microfiber leather, providing a supportive yet comfortable surface for stretching, strengthening, and alignment work.

Its 18cm backwards/forwards adjustability allows for easy customisation to suit different body types and training needs, making it an excellent choice for both professional studios and dedicated home users. Measuring 125cm (L) x 63cm (W) x 101cm (H) and weighing 36kg, the compact yet robust design ensures it fits seamlessly into various training spaces while delivering reliable performance.

Perfect for enhancing core strength, flexibility, and posture, the Gym Gear Pilates Ladder Barrel is a premium addition to any Pilates setup.
