

Gym Gear Spine Corrector

The Gym Gear Pilates Spine Corrector is a versatile tool for improving posture, strengthening the core, and enhancing flexibility. Crafted from durable oak wood, it delivers a sturdy and reliable foundation for a variety of Pilates movements. The contoured surface is padded with premium microfiber leather, offering comfort and support during both gentle stretches and more challenging exercises.

With dimensions of 93cm (L) x 42cm (W) x 33cm (H) and a lightweight 13kg build, it's easy to position within a studio or home environment. Ideal for targeting spinal alignment, opening the chest, and increasing range of motion, the Gym Gear Pilates Spine Corrector is an essential piece for those looking to deepen their Pilates practice with precision and comfort.
